

National Grains and Fodder Competition
National Grain Innovation Award
Presented by Nufarm
(Video Submission Form)

Location: Preferably filmed on location with your innovation in sight.

Timing: 3-5minutes

Content:

- Introduce yourself, your property and your innovation
- Describe the challenge you were facing and why you saw a need to innovate
- Talk through what you are trying to achieve and what results you have seen so far
- Talk through what you expect for the future and how you plan to continue
- Close with where you would like to travel (Aus or international), what you would like to learn and how you think that knowledge can help you at home on the farm.

Short points that can be read while talking to the camera.

- 1. Introductions**
- 2. What is the Innovation**
- 3. Results**
- 4. Future plan**
- 5. Future results?**
- 6. Travel and Learning**

We encourage you to be creative with your video entry, have fun, tell a joke, make it interesting.

A video taken on your Smart phone, Selfie style or by someone else is fine, but make sure it's planned, steady and the shot itself is focused on you and/or something for us to look at.

Alternatively, you can apply in written form using the template provided.

To complete please upload your video to your preferred platform (eg. Youtube)and provide a link in the on line form <https://entries.theshow.com.au/Account/ExhibitorLogin>

Alternatively, you can post the video to the address below to be received by the competition closing date.
