SCARECROW COMPETITION

The Scarecrow Competition is open to all Kindergarten and Primary School Students wishing to represent their school as a group/class entry.

Due to limited display space, a limit of 10 entries (overall) per Primary School/Kindergarten into the Scarecrow Competition will be introduced in 2019.

Please note: Judges will be looking for fresh, new Scarecrow designs each year rather than just last year’s Scarecrow design re-entered.

Naturally the student's involvement in their design and creation is essential.

Prize money will be awarded to the student's nominated Kindergarten or Primary school.

- Scarecrows need to be self-supporting and must have a strong support base.
- Staging can be completed on site under the supervision of a recognised teacher.
- The space allowed for each exhibit is 'life size' approx. 1.2m sq.
- The judges will take into consideration the following: Artistic merit, originality, workmanship, appropriate to theme and attention to detail.
